MESSAGE FROM THE CHAIRMAN GLOBAL EDUCATION WITH AN INDIAN SOUL

Conventional teaching methods are now relics of the past. India is going through humongous socio-economic and socio-political changes and is poised to become a super power in the next couple of decades. To see her through to this ultimate goal, she will need future citizens who are empowered with the requisite learning. I am pleased to state here that our goals and vision are in total synchronicity with that of our nation and it will be our unstinting endeavor to equip our students with global standards of learning so that our children become the masters of our destiny.

At Jaipuria School, education will go beyond books to instill social consciousness, inclusivity, ethics and an all-round personality with a healthy mind and body. That is the Jaipuria way of life. It is also important for our youth to have cultural consciousness and the ability to appreciate the rich heritage of our visual and performing arts. Jaipuria School will ensure that students from their early years are exposed to and encouraged to appreciate and imbibe visual and performing arts.

I look forward to welcoming you and your child to the Jaipuria family, and firmly believe that you will be proud to be a part of this family.
